Dear Mr. Neal,

This letter is responding to the ANPR with docket number TM-04-07. Quadra Chemicals Inc indicates its position to stay on the NOP list for the following products- ascorbic acid and citric acid.

CAS# for Ascorbic acid and citric acid are: 50-81-7 and 77-92-9. Both ascorbic acid and citric acid anhydrous are made from the fermentation process.

Supplier/distributor name and address: Quadra Chemicals Inc, 5700 NW Front Ave, Portland, OR.

Sincerely,

Mark Chen
